President's Message

Greetings from your President as we Welcome Spring!

Well, so far no one can say we had a bad winter. However, we aren't out of the woods just yet; we can still have at least two blizzards, which is why I'm looking forward to spring.

I would like to thank our last two guest demonstrators. In Jan., Valerie "Arizona" Morone for her display of plein-air paintings of Arizona. She captured the desert mood of vivid color contrast throughout her paintings. It was fascinating to see her paint - well done! In Feb., Bea Humphries' lively presentation re-introduced us to papier-mache. Just a quick history lesson, papier-mache dates back to the Han Dynasty (©202 BC) where, toughened by layers of lacquer, it was used to make helmets.

We can use your help with up-coming events. In March, we have a Sat. workshop featuring Bob Heyers. It is a fund raiser and we need to fill those seats. Please get the word out and call Joanne 732-477-1805 to reserve a space or to help her with the event. In April we have our annual Festival of Art. **We need all of you to exhibit at Brick Library.** Save us some effort by calling Trisha 201-341-5849 to sign-up. I would like to announce that Bea Humphries said that she would be honored to Judge this event. To ensure success, we need your help. I also need someone willing to sell raffle tickets for Arlene Newman's painting at our meetings. We would like to draw for this at the June Pot Luck Dinner. We also need a hostess to handle set-up at the June meeting. Will someone please come forward and help with this task! If everyone helps a little, no one person will be overwhelmed. This is just a thought to ponder.

I would like to thank Joanne for reading the treasure's report while Fran Collins is enjoying her time in Boca Raton. We are all envious of Fran. She should be well refreshed when she returns. A big "thank you" goes out to Gail Mauro, for continuing to provide terrific refreshments. So, in closing, let me quote Deacon Knoebel, "The next time you come to our meeting, please bring a friend!"

Sincerely,

Robert D'Imperio, LAS President
