President's Message

GREETINGS from your President as we welcome fall!

I hope you all had a great summer and that you did not miss our annual Pot Luck Dinner. It was a great success thanks to the combined efforts of Joy Kris, Gail Mauro, and Connie McCann. For those who missed out on the festivities, we had a lovely art competition judged by David Dziemian, who did a fantastic job judging our show. The winners were Best in Show, Valerie Morone - *Edge of Time*, 1st Place, Barbara Benko - *Don the Mailman*, 2nd Place Pat Tully - *Blue Bird*, 3rd Place Rosemarie Licata - *Floral* and Honorable Mention Gail Mauro - *Wild Flower*. Also, let me congratulate Fran Collins, who won the mystery gift painting. It was a second place winner in our member's show back on April 24, 2013. I painted it in San Francisco on a cold and windy day, hence the title *In a Brisk Wind*. As a result of our gift auction and the raffling off of the mystery painting, we were able to donate a total of \$220.00 to our scholarship fund.

I would also like to congratulate Lauren Morone, who stepped up to accept the office of Vice President. This position is challenging but rewarding as well. If you have the time or inclination to help us with any of the many tasks needed to be completed for us to have a successful year, please let me know? We need your help.

Our programming committee met this summer to complete the program for 2017 -18. Thank you to Joanne Zezula, Fran Collins, Lynne Salisbury, Carol Pester and Elsa Herrmann for their work on this important project. On our fall agenda, we have Pam "Sisco Kid" Caballero (Sept 8th) *Intricate Designs*, Mick McAndrews (Oct. 6th) *Breath Taking Watercolors*, and Anthony Migliaccio (Nov. 9th) *Oil Painting*. **Important to note: Oct. 6 is a change in date due to football schedule and Nov. 9th is a change in venue to the Brick Police Station at Town Hall located across the street from the High School.**

As we welcome the fall, a season of many colors, I hope you will be inspired to paint your next masterpiece. For me, painting is a never ending journey, and I still feel I'm at the beginning of mine. To quote from Claude Monet, my favorite artist, "I want to capture the impression of a single moment; I was at the beginning of my journey, a single life isn't long enough to know a single moment". See you at the Sept. meeting; bring a friend.

Sincerely,

Robert D'Imperio, LAS President
