Please let me know of any awards and  
upcoming member's events.

## *- President's Message -*

I am your new President of Laurelton Art Society! Debbie Rooney has stepped down because of family obligations. We are taking nominations for other open positions. Please volunteer your time and talent.

We have had a successful Spring season with our free workshops and welcome several new members!

We had a great turn out for our Festival of Art at the Brick Library this past April. I thank all of you who helped me to organize the event that went so well. Congratulations to all the winners.

The Laurelton Art Society is proud that so many of its members participated in this years Annual Senior Citizens Art Show of Ocean and Monmouth Counties and won awards!

Thank all of you who braved the intense heat with me and displayed your artwork and small items for sale at the annual Brick Garden Tour. This was our 18th year displaying on the beach fence and donating a painting for their tricky tray. Thank you Debbie Rooney for donating an original seascape painting, which had several people wanting to take it home. Next year we will be Plaine Air painting in some of the gardens on the tour! If its too hot, we will just paint 2 hours at a time, so I will probably need about 10 people so we can rotate.

Many thanks to Ilene VanDyne for her fascinating last minute clay replacement demo from "Slab to Fab", in May.

We continue to strive to get more involved in our community through radio broadcasting combined with public relations incorporating TV and newspapers. I am looking for helpers.

We have been around for 44 years, and we continue to teach, learn, experience, advocate and enjoy the arts!! Please read your emails for the Laurelton Art Society notifications on what's happening next! Let your friends and families know about our meetings and come join us!

Respectfully,

Trisha Monto Autore, LAS President

Meetings will be held at the First Baptist Church of Laurelton  
Ivy Hall the Second Saturday of the month at 1:30pm to 4:00pm  
1832 Highway 88, Brick, NJ 08723
